Welcome to online Giving

GiveCentral was created for the Archdiocese of Chicago based on the needs of not-for-profit organizations to process electronic payments. Input from parish, school and administrative staff supported the development and specific functionality requirements for GiveCentral with direct input from members to enable more flexible giving options for their donors.

GiveCentral.org is the only fully customized payment processing solution that includes both one-time and recurring payments by credit card, debit card and ACH.

As a donor, GiveCentral.org is a great tool for managing all of your gifts. It has been uniquely crafted to be member-centric and user-friendly.

Donors can use GiveCentral.org to:

- Contribute to weekly and Special Collections by ACH and Credit Card
- Pay Other Educational Fees
